Limitation, cancellation or other adaptation of the ODMC

- If there are at the closing more entries than can be processed per planned session duration, the organization reserves the right to limit the entries. This in consultation with the KNZB Taskforce Masters Swimming. Limitation will be based on a percentage of the World Masters Records (WMR) according to the following formula:
 - $Points = WMR/entry\ time * 1000 + Category\ Age$
 - Here the WMR will be used of the course length in which the entry time is swum
 Swimmers of Age Category 65+ and older will not be limited on the 50m distances. Swimmers of Age Category 80+ and older will also not be limited on the 100m distances. In case of limitation there will be a reserve list in order of points.
- If at the closing date for entries there are fewer than 2000 starts, the organization reserves the right to cancel or adapt these championships, after conferring with the KNZB Taskforce Masters Swimming. This will be communicated to those concerned at the latest within a week after the closing date.
