 - if you cannot comply with the above you will need to attach the official results of the competition in question to your entry.
 - the fastest time of this qualifying period. Times swum in 25m and 50m pools may be used. Recommended is to choose the course length that gives the most points (see the information on 'Limitation').

4. Heats, seeding, start lists, withdrawals and taking out of competition

- All heats will be seeded on entry times.
- Start lists will be published on the [Mastersprint Live Timing webpagina](#) 1 hour before the start of the session at the latest.

5. Limitation, cancellation or other adaptation of the ODMC

- If at the closing date there are more entries than can be processed per planned session duration, the organisation reserves the right to limit the entries. This in consultation with the KNZB Taskforce Masters Swimming.
- Limitation will be based on a percentage of the World Masters Records (WMR) according to the following formula:
 - $\text{Points} = \text{WMR} / \text{entry time} * 1000 + \text{Category Age}$
 - Here the WMR will be used of the course length in which the entry time is swum
- Swimmers of Age Category 65+ and older will not be limited on the 50m distances. Swimmers of Age Category 80+ and older will also not be limited on the 100m distances.
- In case of limitation there will be a reserve list in order of points.
- If at the closing date for entries there are fewer than 3000 starts, the organisation reserves the right to cancel or adapt these championships, after conferring with the KNZB Taskforce Masters Swimming. This will be communicated to those concerned at the latest within a week after the closing date.

6. Start procedure

- There is no marshalling area. Swimmers have to make sure themselves to be at the start on time. There will be no waiting.
- There will be overhead starts (except the relays).
- After finishing swimmers must stay in their own lane, to the side and at a distance of least 1 metre from the electronic touchpad. After the start of the next heat, or after directions from the officials, swimmers should leave the water as soon as possible.

7. Results, Ceremonies and prizes

- Results will be posted on central locations in the pool and placed as soon as possible on the [Mastersprint Live Timing webpagina](#).
- Prizes may be picked up at the prizes table. Prizes that are not picked up will not be sent afterwards.
- Swimmers who have swum a National, European or World Masters Record may be called for an extra ceremony. Absence from this ceremony means no prize.
